

Follow-up Appointments After Your Implantable Cardiac Defibrillator (ICD) Generator Change

Who to Call

- **If you have urgent concerns, call 911.**
- If you have questions about your appointments, call your Cardiology Clinic weekdays between 8 a.m. and 5 p.m.:
 - **UWMC - Montlake patients:** Call 206.598.4300.
 - **UWMC - Northwest patients:** Call 206.363.1004.
- If you have a question about your procedure, care after your procedure, or your ICD follow-up:
 - Weekdays between 8 a.m. and 4:30 p.m., call your EP Nurse:
_____ at _____
 - Weekends, holidays, or after hours, call 206.598.6190 and ask for the Electrophysiology (EP) Fellow on call to be paged. The EP Fellow is a doctor who works with your primary electrophysiologist. These doctors specialize in caring for patients with ICDs.
