

Welcome to Alvord Brain Tumor Center

Clinic Hours

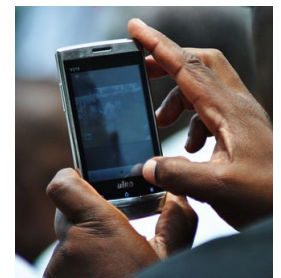

Alvord Brain Tumor Center (ABTC) is open weekdays from 8 a.m. to 5 p.m. We are closed weekends and most major holidays.

Appointments

To make an appointment, call 206.598.2282 to talk with our Patient Service Specialist (PSS).

Talk with a Registered Nurse (RN)

- **For non-urgent needs:** Please call your team nurse at 206.598.2282, option 2 to leave a message. On weekdays from 8 a.m. to 3:30 p.m., we check messages every 2 hours. If you leave a message after 3:30 p.m., we will listen to it the next day the clinic is open.
- **For urgent needs:** Call our PSS at 206.598.2282, option 1. Tell them you have an urgent need. They will put you in touch with a team member.
- **After clinic hours:** To talk with a nurse after clinic hours, call the Community Care Line at 206.598.3300.

MyChart: Our Patient Portal

Please sign up for MyChart! You can use it to see your medical records, send an email to your care team, request prescription refills, and more.

Primary Care Provider (PCP)

It is very important to have a regular PCP. This provider will help you manage medical needs that are not related to your brain tumor.

Medicines and Refills

- ABTC will refill and manage medicines that were ordered by our providers. If we did not order your medicines, please contact the provider who prescribed them.
- If we are refilling your medicines, we must see you on telehealth or at our clinic every 6 months so that we can check in with you.

Paperwork

Please allow up to 5 to 7 business days for us to fill out FMLA or disability forms, or to write letters. We will contact you as soon we are done.

Questions?

Your questions are important. Call your doctor or healthcare provider if you have questions or concerns.
